1st, 2<sup>nd</sup> and 3rd prizes will be awarded to the longest trout species and the longest non-trout species. **Prizes will be \$150 gift certificate for longest fish, \$75 gift certificate for 2<sup>nd</sup> longest and \$25 for third longest fish from Angling Sports in both non-trout and trout categories.** Multiple prizes may be won by the same competitor. All trout must be kept up to 3 trout per person. Once the 3rd trout is caught the person is no longer allowed to fish. Returning caught trout back into the pond will not be allowed. Participants are allowed to either keep a reasonable amount (up to 6 ea.) or put back all non-trout species except for bass which must all be thrown back.

Live or dead bait fish and fish eggs are not allowed to be used. Worms and wax worms and spikes are permitted along with artificial baits. No chumming allowed of any type.

Participants are allowed two rods per person with 2 holes each. No more than 3 hooks per line are allowed. Treble hooks count as one hook. No more than 4 holes each may be open at one time per participant. Any additional holes must be filled with snow and properly marked with a stick to identify location.

Hot lunch will commence at 12:00 so as that we can spread out the flow of participants in the clubhouse. You will need to present a voucher to receive your lunch. You will receive your voucher when you check in before the competition. Kids 5 and under will not be required to produce a ticket. Award ceremonies will commence at approximately 1:30 pm
