PRESIDENT'S MESSAGE

How time flies!

Here we are once again at the end of another fiscal year which means that club elections are just around the corner. As I have said many times before, this club, our club, is blessed with an excellent group of people whose main objective is to provide you, the members with the best possible club around. I think it is safe to say that this has been achieved.

There is one thing that worries me as your President and that is the availability of informed people to step in and run the club, if something was to happen to any of our existing Executive body.

I am not sure of how many of you were around at the time that I took over the President's position. I was not elected, but had to step in for a very special friend of mine who took sick. Luckily I was 1st Vice President at the time and had some limited experience of the club's operation. Looking ahead it would be nice to have some new people exposed to the operation of our great club so that in the future we can all rest easy knowing there are dedicated members to carry on our club and its endeavors. All the existing Executive members have been in office in one capacity or another for many years, and their knowledge is endless, so someone wishing to help out and learn the ropes could greatly benefit from the expertise. In short, what I am trying to say is to prepare our club for the future, we need new people to get involved. So come out on Election night and run for position or at the very least cast your vote.

Yours in conservation,
Stan Gibbs

WELFARE

If you know of a club member or their immediate family who could use some cheering up or has reached one of life's many milestones, please contact Tom and Shirley McGill who will gladly make contact on behalf of the club.

Two of our members: Walt Seliski and Larry Minderlein have been feeling under the weather. If you know either of these men, take a few moments to call them just to say "hi". You will both benefit.

Our condolences are with the Wales family after the passing of Mike's father, Glenn Wales on January 18, 2013

Our condolences are also with the Gifford family after the passing of Gail on Feb. 16. Gail was not a club member but she was a regular visitor to the club. For many years, Gail was one of the TOPS ladies who met at the club each Tuesday evening and she also came out to play Euchre.

EUCHRE

Progressive euchre is a fun filled, social evening with good company, good cards and a lot of laughter. The games are open to both members and non-members. You do not need to have a partner or a foursome to play. In progressive Euchre, your partner will constantly change throughout the evening.

There is a light snack served during the break and door prizes are drawn at the end of the evening. A donation of a door prize or dessert is always welcome.

The February 23rd Euchre was hosted by Pat and Ken Lockrey who did a superb job. The winners of the Feb 23rd Euchre games were:

High Lady – Zam Fakira (72)

In order to host an evening of cards, two persons are needed and it does not have to be a couple. One person will greet the players and make sure refreshments are available throughout the evening while the other will operate the bar. If you are interested in hosting an evening of Euchre, please speak to Teresa Couture at 519-668-6257. It is still enjoyable to host an evening and at least one Executive is always present should any questions arise throughout the evening.

Arrive early enough to socialize before the games begin.

After a short break to clean up, the Euchre games will begin around 7:00 pm. The hosts will be Steve and Teresa Couture, who can be contacted at 519-668-6257.

The club has pens, lanyards, Tee shirts, hoodies, sweatshirts, and toques, patch crests, key chains available in stock.

DANGER – THIN ICE

As the temperature rises and we start to see more rainy days, rather than snowy ones, the ice conditions at the pond vary on a daily basis. Exercise additional caution if you venture out on the ice at this time. Here are just a few reminders about ice safety:

- A windmill, located on the west side of the pond by the front dock has been installed to aerate the water. There are buoys marking the location of the aeration stones. These two areas may stay as open water or may have a thin ice covering. Please keep well away from these areas, as they will never be deemed safe to support any weight, including your pet's weight.
- Do not let your pet run loose on the property, including the ice. It is the Club policy that all dogs be leashed at all times.
- A minimum of four inches (10 cm.) of CLEAR ICE is necessary to support the weight of one person. If you are fishing with a partner or a group, additional ice thickness is required.
- The ice conditions will be posted and monitored regularly. Please stay off any unsafe ice and remember that ice conditions vary from day to day.
- Obey the thin ice signs and exercise caution at all times on pond ice. When in doubt, stay off the ice
- Always use the "Buddy" system and never venture out alone.
- Mark your fishing holes – for safety and consideration of others.

KNIFE AND SCISSOR SHARPENING

Hermann Szielasko is offering to sharpen your knives, tools and scissors to your satisfaction at no charge to you. In lieu of payments, he is asking that you make a donation to the club Wreath Brigade, which will assist in offsetting costs. Please leave your items to be sharpened and your contact information with the caretakers.

GENERAL PAINT

1074 Dearness Drive

General Paint staff would like to welcome the members to visit their store. This local business is offering a generous discount on paint purchases to WOFGPA club members. Please drop in the store soon and let them know that you are a club member.

ICE FISHING DERBY

An ice fishing derby was held on Sat. Feb. 9. The winners of the derby were:

1st place	Howard Pearcey
2nd place	Rowan Antolini
3rd place	Joey Smith

Thank you to everyone who offered their assistance and were critical in making this venture possible.

POACHING

Poaching is a serious problem. Only club members wearing their valid membership cards, and their guests, are allowed to fish on the pond. If you see anyone fishing with no visible card, ask to see proof of valid membership.

Club members who do not display their valid membership card should expect to be told by the caretakers or any other member to immediately stop fishing.

Non-members caught fishing on club property are subject to prosecution for trespassing and poaching.

The discharge of firearms, including pellet guns, is prohibited in the City of London. If you hear gunshots, please call 911 immediately to report the occurrence.

HALL RENTALS

Did you know that the WOFGPA hall can be rented for your next "special" occasion for a very reasonable price? A number of people have already rented the hall for their function rather than hold it at their home and be left with a huge mess to clean afterward.

The hall has a seating capacity of up to 80 persons, which makes it just the right size for a small wedding reception, showers, your next meeting, anniversary party, family reunions and get-togethers, Christmas party and birthdays. The club hall has full kitchen facilities, except dishwasher. Professional bar service is offered in the wet bar.

Call the club caretakers, Paulette or Bob Schmidt at the club at 519-681-2370 to get the low rental rates and availability of the hall. You will be pleasantly surprised to find out that the club still has the cheapest rates in town. WOFGPA members receive discounted rates on evening rentals.

NO STAG AND DOE PARTIES

UPCOMING EVENTS AT WOFGPA

Please remember to mark your calendars so that you don't miss an event. For most events, a contact person is named, if you wish to volunteer a bit of time to better your club, contact them. As the date of each event gets closer, the details will be printed in the newsletter and posted on the Bulletin Boards at the club and on the website.

Giving some time to help is a great way for both new and old members to get together while they aren't fishing. Please offer your fresh ideas to any committee chairperson or Executive. It is your club so please be an involved member and help make WOFGPA the very best it can be.

SMOKING

- If you are someone who smokes and are visiting the club, please use the conveniently placed cans provided for your cigarette butts.
