It is once again time to shake off those winter blues and enjoy a few hours indoor of interesting information on fishing, hunting, and conservation efforts. You may also want to sell some of that old equipment you have lying around. The club is once again hosting the Annual Tackle Swap at our clubhouse at 790 Southdale Rd. East in London. We are looking for clubs to join in this venture. Previous years have been a great success with many different clubs promoting their club's activities and selling different fishing/hunting related wares to the visitors.

There is no registration fee for a table. Tables will be assigned to clubs as they register. To help attract the public, we as the Host club, are asking all participating clubs to bring a prize to be given away as door prizes. The Host club will have food and beverages for sale to help offset costs.

**Preregistration is mandatory for a table**

**All registrants must make set up arrangements of their table by contacting Stan Gibbs**
