

# CONSERVATION

---

This is what it means to me, and should mean to everyone

<b>C</b>	<i>Stands to</i>	<b>CONSERVE</b>
<b>O</b>	<i>Stands to</i>	<b>OBSERVE</b>
<b>N</b>	<i>Stands to</i>	<b>NURTURE</b>
<b>S</b>	<i>Stands to</i>	<b>SURVIVAL</b>
<b>E</b>	<i>Stands to</i>	<b>ENJOY</b>
<b>R</b>	<i>Stands to</i>	<b>RESTORE</b>
<b>V</b>	<i>Stands to</i>	<b>VALUE</b>
<b>A</b>	<i>Stands to</i>	<b>ATTRACT</b>
<b>T</b>	<i>Stands to</i>	<b>TEACH</b>
<b>I</b>	<i>Stands to</i>	<b>INSURE</b>
<b>O</b>	<i>Stands to</i>	<b>OWN</b>
<b>N</b>	<i>Stands to</i>	<b>NATURE</b> · <i>unsoiled</i>

*Yours to enjoy, BUT yours to protect.*

So let us all get behind **CONSERVATION**, and leave more to the coming generation than our forefathers left us.
