Our Conservation Pledge

I give my pledge as a Canadian to save and faithfully defend from waste the natural resources of my country, its soils and minerals, its waters, forests, air and wildlife, and to obey all Fish & Game laws.

Our Purpose

- To promote true sportsmanship by the protection, breeding, propagation and conservation of fish and game.
- To obey the Fish and Game Laws of Ontario.
- To promote reforestation and conservation.
- To maintain a club and pond for the accommodation and enjoyment of the members and friends.

Meetings

General meetings are held on the second Thursday of each month at 7:30pm, except for the months of July and August. The Executive meetings are held on the fourth Thursday of each month. Remember that you, as a member, are welcome to attend all club meetings. Your input is highly valued and appreciated.

Treasurer's Report

The Treasurer's Report is presented at the Executive meeting and questions and comments are always welcome. If you wish to receive a copy of the full report, please attend this meeting.

Cigarette smoking is not permitted within 5 metres of all club entrances. Smokers are asked to use the containers provided for cigarette butt disposal. Cannabis use and vaping is not permitted anywhere on club property.

MEMBERSHIP RENEWALS AND CHANGE OF CONTACT INFORMATION

In order to pay your membership dues, you must attend the club at 7:00 pm (just before the scheduled meeting) in order to remain a valid member in good standing. If you are unable to attend, a friend or family member could bring your annual dues to the club at the designated time. Special arrangements for payment can be made only by contacting the Membership Chair, Val Grahl.

Any payments that are mailed or left at the club will not be accepted and will be returned to you. If you are unable to attend the club to pay your dues on either of these dates,

It is very important that you send any and all changes in mailing address, email or phone number to Val Grahl (membership committee). WOFGPA will not be responsible if your membership lapses due to incorrect contact information.

If you choose to rejoin the club, your name will be added to the waiting list which is currently has over 200 names on it and a 4-year wait.

PRESIDENT'S MESSAGE

The club pond water has been deemed to contain blue-green algae in low levels and it is expected that a full bloom could occur in the near future. Signage will be posted at the club to inform anglers and boaters of its presence. Some forms of blue-green algae can pose health risks to people and pets. DO NOT allow your dog to drink water from the pond. For more information, please visit: www.ontario.ca/page/blue-green-algae

Volunteer Appreciation Dinner attendees - 2019

Well summer is quickly coming to a close and I realize this as we have just celebrated another Volunteer Appreciation Dinner. This event is put on every year to recognize all the volunteers that have contributed their time and efforts to further our club in its constant challenge to be the best conservation club in Canada.

If you were one of the many that attended, I hope you enjoyed the meal, which was catered by Belmont Catering. The entertainment was provided by Cathy Truelove and Dale Sewers. If you were invited and did not attend, on behalf of your Executive body, we extend our heartfelt thanks for all that you have done. For those that did not get an invitation and would like to get one next year, all it takes is a few hours of your time to help polish this jewel in the heart of the city.

There are not enough words for the partners of the volunteering club members who waited so patiently for their "other half" to come home so a simple thank you will have to suffice.

Yours in Conservation
Stan Gibbs

GOOD OF THE ASSOCIATION

For each General Meeting that you attend, you will receive a ballot for the free one-year membership draw. The draw is done each March during the Elections.

WELFARE

Many club members who aren't able to attend the club for meetings or fishing might welcome a quick call to say "Hello and what have you been up to?"

If you know of a club member or their immediate family who could use some cheering up or has reached one of life's many milestones, please contact Teresa Couture who will gladly make contact on behalf of the club.

Our hopes for healthier days ahead are with Bert Smit.

ONTARIO HUNTER EDUCATION & BOW-HUNTING COURSES

Emad Hazboun teaches these courses for a very reasonable cost. He offers a discount if you are a WOFGPA club member.

For more information and the starting date of the next course, please contact Emad by phone at 519-317-4132 or by e-mail at emadhaz@heafs.com or visit his website www.heafs.com

EUCHRE RESUMES

Calling all euchre players to the first progressive euchre game of the season so mark your calendars.

DATE: Saturday, September 28th
TIME: Doors open at 6:00 pm with the games starting at 7:00 pm
COST: \$ 5.00 per player

Progressive euchre is a fun filled evening with good company, good cards and a lot of laughter. The games are open to both members and the public. You do not need to have a partner or a foursome to play. There is a light snack served during the break and door prizes at the end of the evening. A donation of a door prize or dessert is always welcome.

If you are interested in hosting a Euchre night on the fourth Saturday of the month, please speak with Teresa Couture for details. When you host an evening, one of the Executive will be present. Hosts are needed to host evenings throughout the season.

ANNUAL PIG ROAST Sat. Oct. 5 (New Date)

It may seem early in August but tickets for the annual Pig Roast are in limited number and sell out early.

The cost of the Pig Roast dinner is only \$ 25 per ticket which includes your meal with all the trimmings and entertainment for the evening and door prizes.

All tickets are advance purchase only and should be available for sale very shortly through one of the Executive members.

FALL TROUT DERBY Sat., Oct. 26

Members are not allowed to fish the pond in the morning prior to the start of the derby. Once the derby has ended, everyone is invited to fish and all regular catch limits for your membership type will apply.

Mark your calendar and tell your friends that our derbies are open to members and the general public.

Registration: 7:30 am (NO EARLIER PLEASE)
Derby Times: 8:00 am until Noon
Cost: Members - \$ 15.00
Non-Members - \$ 18.00
Youth (12 & under) - \$ 5.00

The rules are really quite simple.

- The longest total length of 3 Trout caught will determine the 1st, 2nd and 3rd place awards in each division. Of course, there will also be the Mystery Fish.
- Registration includes a hot lunch with refreshments. Your name will also be entered to win one of the many door prizes.
- During the derby, only registered anglers in the derby will be allowed to fish. Trout caught during the derby will count only for the derby.

FISHING ETIQUETTE

Please do not crowd other anglers on the docks. Moving a few feet closer will not entice the fish to bite on your line instead of your neighbour's. Junior anglers find it quite intimidating to be crowded on the docks by an adult. Remember some anglers tend to need a larger area to cast. Fly fish in suitable areas and way from other anglers.

The north and the main dock have new benches installed for members use. If you prefer to use a lawn chair, please take it home with you when done fishing. At no time are tree stumps to be used on the docks.

Each angler may use only one rod at a time. Culling your catch and the use of live bait is not permitted.

If you are fishing on the north dock, be aware that members with boats and canoes have the right-of-way. Please stop fishing or fish elsewhere while they are taking their boat in or out of the water.

All Trout can be cleaned at the steel cleaning table by the north dock. We ask that any fish wastes be tossed into the bushes where it will be considered as the "daily delicacy" by resident raccoons or the red-tailed hawk who watched intently as you cleaned it. Please rinse the table thoroughly with water when you are done cleaning your catch. The water at the cleaning station is pond water and should not be used for drinking. When done cleaning your catch, use hand sanitizer or wash your hands thoroughly in the washroom.

Observe your daily catch limits as determined by your membership type. Record your catch in the Log book located in the small vestibule on the east side patio area. This book will also give you an idea of what bait that trout currently find attractive in an effort to increase your chances of getting a big one to take home.

All trout caught must be kept, without exception. If you choose not to keep the trout, it may be given to another angler who is present at the club. If you have any questions or comments, please speak with the Ponds committee or any Executive member.

HALL RENTALS

Did you know that the WOFGPA hall can be rented for your next "special" occasion for a very reasonable price?

The hall has a maximum seating capacity of 80 persons, which makes it just the right size for a small wedding reception, bridal and baby showers, your next meeting, anniversary party, family reunions and get-togethers, Christmas party and birthdays.

The hall is available to members or their families to get together after the passing of a loved one. In certain circumstances, a special reduced rate may apply. Members receive a discount on rentals which occur on Friday or on a Saturday evening only.

The hall offers full kitchen facilities, except dishwasher. Professional bar service is offered in the wet bar.

Please contact the club caretaker, Barb at 519-681-2370 to get the low rental rates and availability of the hall.

The club hall is not available for Stag and Doe parties or outdoor weddings. UPCOMING EVENTS
